Stations that elect Option One must place a copy of this form on the station's public website, if such exists.

On its analog channel, and its primary digital stream, a station must air one transition PSA, and run one transition crawl, in every quarter of every day. This requirement will increase to two PSAs and crawls per quarter per day on April 1, 2008, and to three of each on October 1, 2008. Stations are required to air PSAs or crawls at various times in any given day part, and at least one PSA and one crawl per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m.. Comments (add additional sheets where necessary):

Note: a 15-second PSA counts as one-half, or 0.5, for FCC counting purposes, hence some of the totals are not whole numbers. Also, since the FCC regulations regarding the DTV Education Initiative became effective on 03/31/08, the last day of the 1st quarter, WFGX did not air any CSTs during the 1st quarter. Our CSTs began airing on 04/01/08. We began airing the PSAs on 03/01/08, with a schedule of 25 per week airing between 6AM and 12AM. We manually added some additional runs where inventory allowed. We are attaching files detailing all airings of these PSAs.

The PSAs which we aired were provided by the NAB, and we customized each of these with particular information about our station. Following are the scripts for these PSAs:

WFGX airs a weekly public affairs program, "In Focus", produced locally by co-owned WEAR-TV, that airs Sundays at 11:30AM-12:00Noon. On 03/16/08, our topic for this program was "The DTV Transition". The program featured pre-produced background material explaining the reasons for the upcoming conversion, and an interview with Jonathan Collegio of the National Association of Broadcasters, who provided further details of the transition and explanations of the government's subsidized coupon program for consumer purchases of Digital-to-Analog converter boxes, and the different circumstances under which consumers may or may not need these converter boxes.
